…Respondents

THE HON'BLE SRI JUSTICE S.ANANDA REDDY

Writ Petition No.17137 of 2000

ORDER:

This writ petition is filed aggrieved by the action of the first respondent in changing the tariffs from L.T. Category-VII to Category-II by an order, dated 27.05.2000.

According to the petitioner, the said change was made unilaterally. However, when an interim order was sought for by the petitioner, the same was rejected on the ground that the petitioner has not assailed the notification, which was published on 14.06.2000, pursuant to which, the change as to the category was effected. Further, it is stated that the said notification was assailed by way of Public Interest Litigation before this Court and the said notification was upheld dismissing the writ petitions.

In view of the same, the writ petition does not survive

and the same is accordingly dismissed as infructuous. No costs.
